

Student Planning Sheet

Below are some questions for you to think about in preparation for our student-planning meeting.

1. What do you feel are your strengths? (in school, at home and in the community)
2. What do you feel are your needs or where do you need more support?
3. How do you think you learn best? What kind of environment makes learning easiest?
4. What are your favorite activities? Do you have any special talents or hobbies?
5. Do you have any concerns about your school program this year? What are your hopes for this year? What are your dreams for the future?
6. Please add anything else that you feel you would like to talk about in your school program.

Thank you ahead of time for attending your planning meeting. We hope to accelerate your learning through sharing everyone's ideas. 😊
