

Learning Assistant Teachers Network

The Special Education Program (SEP) strives to support First Nations schools in meeting the needs of all of their students.

The Learning Assistance Teachers Network through the FNEsc - SEP is open to those LAT's working in BC First Nations schools.

Educators are invited to attend this worthwhile and information filled training. Whether you are a brand new LAT or you have been in the role for some time, you will have the opportunity to meet 3 times face to face with the group to share expertise and work collaboratively in small groups to improve your children's outcomes. Groups also meet between face-to-face sessions via conference call or videoconferences to help support you in your role.
