

Google Read & Write

Virtual Workshop

The First Nations Education Steering Committee and First Nations Schools Association invite you to an online workshop on Google Read & Write.

Google Read & Write offers a range of powerful support tools to help students gain confidence with reading, writing, studying and research.

Boost reading and writing confidence across all types of content and devices, in class, at work, and at home!

Intuitive and easy-to-use, Read & Write for Google Chrome provides personalized support to make documents, web pages and common file types in Google Drive (including: Google Docs, PDF & ePub) more accessible.

It's designed to help your students engage with digital content in a way that suits their abilities and learning styles.

Learn for the first time or refresh your skills on how to set up for Google Read & Write and use the three powerful toolbars!
