

Educator Consent Form

Google for Nonprofits

The First Nations Education Steering Committee (FNESC) and the First Nations Schools Association (FNSA) provide students and educators in First Nations Schools with access to Google's G Suite for Nonprofits, an online collaboration and productivity tool to be used strictly for educational purposes. Through the G Suite platform, students and educators will have access to services including a Google Drive, storage for educational documents, Google Calendar, Google Docs, Sheets, Slides, Forms, Drawings, Translate, Blogger, and Earth, Google Read & Write, and Texthelp's Read&Write digital literacy software.

Educators will be provided with a secure login and password from which they can access the G Suite platform. As a non-profit organization, FNESC and FNSA are subject to BC's *Personal Information Protection Act* (PIPA) and takes seriously our legal obligations to protect personal information. The use of G Suite involves the collection, use and disclosure of personal information. This information may be stored on Google servers located outside of Canada; as a result consent must be in place before access to G Suite can be granted. By signing this document, you consent to the collection, use and disclosure of your personal information as part of this initiative. This data includes:

- First and last name, grade level and school
- Classroom assignments, notes, presentations, and school-based projects
- Multimedia objects (videos, pictures, audio files, animations, etc.)
- Quizzes, tests, surveys, and summative assessments (teacher comments, peer feedback)
- Calendars containing assignments dates, project deadlines, events, etc.
- Communication with teachers/educators and other students related to educational purposes
- Images and video of educators used for educational purposes

FNESC/FNSA administrators of the G Suite platform retain the ability to access, suspend, or terminate user accounts, along with any related personal information. Google will only share user's personal information under the following circumstances:

- If Google has obtained additional consent from the user to share personal information; or
