

First Nations Language Teacher Mentor Apprentice Program In-Person Facilitation

September 26th, 2025, | Richmond, BC

The First Nations Education Steering Committee and First Nations Schools Association invite you for a one-day in-person facilitation session for First Nations Language Teacher Mentor Apprentice Program (FNLTMAP) Teams.

This professional learning event will be focused on supporting the planning and implementation of 300 hours of language learning for an apprentice language learner, currently working in a First Nations School, and a language mentor. First Nations School Principals are also invited to join their FNLTMAP Teams for this event.

Come ready to reflect, share, and collaborate — because the foundation of our schools is our language and culture, we want to ensure our learners are confident in their self identity, traditional values and languages and cultures.
